

We serve all ages:
Children & Young People | Working Age | Over 65s

Pheobe Age 13

"I joined Croydon Vision to hang out & do activities with other children whose vision isn't great. It makes me feel more normal & I really enjoy all the experiences I have had with them. It is nice to be able to be involved in everything & enjoy things without worrying about my disabilities."

Anna Smith Working Age

"It is good to see service development for working age as well as the children & young people. There is now more emphasis on reaching out to the wider community & making it more streamlined & professional to members & professionals alike."

Brenda Hayward - Over 65

"I feel very good here at Croydon Vision & I've gained more confidence. It's an excellent organisation & I've made some good friends; lunch is great."
